Answer

Minister of State in the Ministry of Personnel, Public Grievances and Pensions and Minister of State in the Prime Minister's Office. (DR. JITENDRA SINGH)
(a) to (e): The Department of Personnel & Training has been collecting annual data on recruitment of minority communities since 2006-2007.

Accordingly, this year also the Central Ministries/ Departments have been requested in April 2016 to furnish the annual data for 2015-2016.
However, no segregated data on recruitment is collected religion-wise.
As per data received for the year 2013-14, 7.89% of minorities were recruited. As per data received for the year 2014-15, 8.56% of minorities have been recruited in Government Services.
